SIR, Subject - Acquisition of S Nos 89,100, 101, 102,111 and 113 of Periyapatna Kasaba Village

I have the honour to forward herewith the file of correspondenc ending with the Mysore Sub Division Officer's report No R2 C 551/41 dated 19-1-44 on the above subject and to state as follows -

It has been reported that as an antimalarial measure and at the instance of the Health Department, wet cultivation in respect of S Nos 89,100,101,102 111 and 113 of Periyapatna kasaba village was stopped by cutting the bunds of the small reservoir from which water was being supplied to the said lands

The owners of these lands are urging that permission may be granted to them to resume wet cultivation as usual but that, if that is not possible, they may be adequately compensated either by cash payment or by grant of exchange lands

The Sub Division Officer has reported that the lands have got to be acquired in order to settle the claims of the parties I agree with him and I request that this proposal may be approved

As regards the cost of acquisition the parties claim compensation at the rate of Rs 400/- per acre and at this rate the cost come to Rs 7000/- The Amildar however reports that compensation at Rs 250/- would be quite fair Even at this rate, the total amount required for the purpose comes to nearly Rs 5000/-

As the prevention of wet cultivation has been effected for the benefit of the Periyapatna Towns people, the cost of acquisition in question will have to be met by the Municipality But in my opinion the financial position of the Municipality is not capable ~~not~~ of bearing this cost

I, therefore, request that a special grant of Rs 5000/- may kindly be sanctioned to meet the cost of acquisition of the lands in question, including the statutory allowance at 15 percent Acquisition proceedings will be pushed through on receipt of orders of Government in this behalf As the parties are frequently urging in this behalf I request the favour of early orders in the matter

Sir,

With reference to your letter No. L 11810 dated 8-6-45 stating that all the points raised in your letter No L 3466 dated 17-10-44 have not been replied to in my letter of even number - dated 28-4-45, I have the honour to invite your kind reference to my letter of even number d ted 12-7-44, wherein I have stated in para 2 that the lands have got to be acquired and that the proposal made by the Sub Division Officer, regarding the same may be approved. The acquisition of full proprietory rights over the lands was thus proposed and therefore, a recommendation for the - special grant of s 5,000/- was made to meet the acquisition charges i.e , compensation to be paid to the ryots who lose their lands and also the statutory allowance at 15 %

The question of lay out of extension will have to be taken up only after sanction of Government for the acquisition is accorded.

Hence these points were ommitted to be answered in my last letter.

Sir,

Re - the question of sanctioning a grant of Rs 5,000/- to the Municipality of Periapatna towards the cost of acquisition of S Nos 89, 100 etc , of the place

***

With reference to your letter No L 633-M 1 14-45-5 dated 27-7-1945 requesting to obtain and forward the opinion of the District Health Officer, as regards the suitability of the spot for forming an extension as well as the opinion of the Municipal Council thereon, I have the honour to state that the S Nos in question have to be acquired as an anti-malarial measure as proposed by the Health Department and that wet cultivation thereon was stopped by cutting the bund of the small reservoir from which water was being supplied to the said lands, as already intimated in my letter of even No dated 8-7-1944 The lands are reported to be lying bunjad for the past 6 years and the owners are urging that permission may be granted to them to resume wet cultivation as usual, and that, if that is not possible, they may be adequately compensated either by payment of cash or by grant of exchange lands

The idea of building houses in these survey numbers has been abandoned as it was not approved by the District Health Officer and as the Upper community, who originally intended to build houses, preferred to move into the fort area which is quite suitable for building houses

The opinion of the District Health Officer, expressed in his letter No M t 733/45 dated 19-12-46 as well as the opinion of the Municipal Council expressed in their meeting held on

held on 31-10-1944 are herein enclosed for kind perusal

As the prevention of wet cultivation of these survey numbers has been effected for the benefit of the Periapatna towns people, the cost of acquisition has to be met by the Municipality But the financial position of the Municipality is not capable of bearing this cost

I, therefore, request that a special grant of Rs 5000/- as already recommended in my letter of even No dated 8-7-44, may kindly be sanctioned to meet the cost of acquisition of the lands in question

A copy of my review on the budget estimates of the Municipality for 1945-46 is also sent herewith for kind reference and further needful action

I have the honour to be,
Sir,
Your most obedient servant,

Deputy Commissioner
Mysore District

Sir,

Re - Anti-malaria measures at Periyapatna and regarding the cost of acquiring the wet lands.

With reference to your reminder letter No L 11895 dated 28-2-47 calling for information as to whether the Municipal Council is willing to bear half the cost of the lands required for the above purpose, I have the honour to state that the Municipal Council in their meeting held on 31-10-1944 have expressed that it is not possible to bear even half the cost It was therefore, recommended in this office letter of even No dated 24-5-46 that a special grant of Rs.5,000/- may kindly be got sanctioned to meet the cost of acquisition of the wet lands as an anti-malarial measure proposed by the Health Department

I am however sending my definite proposal after the receipt of the Town Inspection Notes of this Town from the Government Architect.

Sir,

Anti-malarial works at Periapatna and the cost of acquiring the wet lands

With reference to your reminder letter No 10879 dated 14-11-1947 calling for a report on the above subject, I have the honour to invite your kind reference to this office letter of even number dated 10-3-47 and 7-6-47 wherein the necessity for the special grant of Rs 5000/- to this town has been explained on account of the inability of the Municipality to bear any portion of the cost of acquisition of lands which have been rendered unirrigable by the breach of the bund nearby The owners of these lands have been representing from a long time that they have been put to much loss by the breach of the bund and that they might be compensated suitably

As acquisition proceedings in respect of these lands have to be taken up immediately, I have instructed the Amildar to submit the records, on receipt of which necessary proposals to acquire the said lands will be submitted to Government

In addition to the acquisition of the said lands, there are some more items of work to be done in connection with the antimalaria works and they are (1)

are (1) breaching of some of the kattes surrounding the town and (2) the filling up of insanitary pits near the dwelling houses I have requested the Executive Engineer, Mysore Division to get the estimates for the above prepared and forwarded to me to take necessary further action

The Government Architect has sent the lay-out plan of the town and the same has been forwarded to the President of the Municipality to take action for the construction of buildings in the Town as per instructions given by the Government Architect

As acquisition proceedings have to be pushed through in respect of the lands which have been rendered dnirrigable by the breach of the bund as stated in para 1 supra and as the Municipality is unable to bear any cost out of its funds I request that the special grant of Rs 5000/- may kindly be got sanctioned early

I have the honour to be,
Sir,
Your most obedient servant,

Deputy Commissioner,
Mysore District.
